Income Disclaimer

MyAdvertisingPays.com ("MAP") is dedicated to meeting all legal requirements of our industry's best business practices. In order to protect the legal standing of the MAP, and protect our Affiliates from making unsubstantiated financial claims, which might result in a violation of pertinent international laws and regulations, we have developed the MAP Income Disclosure Statement ("IDS"). The MAP IDS is specifically designed to convey truthful, timely, and comprehensive information regarding the income a MAP Affiliate may potentially earn.

Commissions:

Affiliates can earn commissions in a variety of ways:

1. Credit Pack Purchase: Here at MAP, our primary product is the "Credit Pack". In short, a Credit Pack is an advertising package, purchased by one of our Affiliates, and utilized in order to promote an unlimited number of advertisements on the MAP Traffic Exchange. Each Credit Pack purchased for €49.99 may in turn, once fully utilized, gross the Affiliate €55.00.
2. Referral Program: Put simply, each Affiliate that effectively refers another to the MAP system will earn between 4.0% and 10.00% of the advertising products purchased by the referred Affiliate.

The table below shows the average annual commissions paid in 2015 to the various levels of global Affiliates, and average monthly commission paid in 2015. (It should be specifically noted that MAP intends to greatly expand its Membership Levels beginning with the roll out of MAP 2.0 (coming late spring 2016). New Membership Levels are anticipated to be as follows: (a) Entry Level, (b) Casual Entrepreneur, (c) Professional Advertiser, (d) Primetime, and (e) Primetime Spotlight.)

	Trial	Free	Basic	Professional	Primetime
Annual Average	\$19.24	\$23.77	\$945.80	\$3,195.83	\$12,895.18
Monthly Average	\$1.60	\$1.98	\$78.82	\$266.32	\$1,074.59

Note that these figures do not represent an Affiliates net profit, as they do not consider expenses, taxes, or fees incurred by the Affiliates in the promotion and/or fulfillment of his/her business. Moreover, the earning of any MAP Affiliate contained in this chart are not necessary representative of the income, if any, that a MAP Affiliate can or will earn through participation in the MAP program. These figures should not be considered as guarantees or projections of your actual earnings or profits. Success with MAP occurs only from successful implementation of a strategic time/budget plan, hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities
