### Email you will receive after your submission!

Affiliate Titan 3.0 is now live - and converting like crazy!

We were #1 On JVZoo on Day 1, Day 2 & Day 3 and are converting at 49%..

And, all the way until Friday 3rd March midnight, you can earn 200% commissions! Read on!

## Affiliates - You Earn 200% JVZoo/PayPal Commissions!!

If you can sell 20 "Affiliate Titan" \$7 front-ends, you earn 200%!

That's ~~\$140~~ \$280 for 20 sales @ \$7!

For context, you would need to sell FOUR times as many \$27 products @ 50% commission to make one sale!

(And remember, you get paid from the funnel also - with 50% commission across 3 products, so a \$7 sale can easily earn \$100+)

So we're announcing commission bumps of up to 200% for Tuesday all the way through to Friday 3rd March!

- Sell more than 10 units and get an extra 50% commissions
- Sell more than 20 units and get an extra 100% commissions

Simply sell 20 front-end units at \$7 and get 200% commissions on ALL front-end sales!

This gives you the best of both worlds - crazy F/E \$7 conversions AND the same payout as a \$27 product paying 50%!

This is running all the way through the launch period, all the way to Friday midnight EST when the launch closes...

UPDATE: Look at who already earned extra commissions on Tuesday:

- 200% Commissions ==> Igor Burban (27% F/E conversions), Han Fan (49%), Joshua Zamora (13%), Ankur Shukla (26%), Kevin Fahey (12%), Matt Garrett (13%), BCBiz (WpThemePlugin.com) (31%), Colleen Slater (42%), Brad Stephens (44%), Richard Madison (17%) .. thanks guys!
- 150% Commissions ==> Alex Belirn (20%), Barbara Ling (32%), Ariel Sanders (28%), Gaz Cooper (15%), Steve Cooper (23%), Guy L Smith (32%), Jon Shugart (11%), Brett Ingram (9%), Percebes Group (8%), Bryan Winters (5%), Devon Brown (10%), Chris Mollo (16%).. thanks guys

As you can see on Day 1, 22 people qualified for the bumps and earned over 100%... now it's your turn!

Now you'll need to sell at least 10 of the Affiliate Titan front-end before midnight tonight to qualify and earn 150-200%.

But ...since it's a \$7 front-end with 6 software tools... and \$2 million in proof.. it shouldn't be hard!

(And BTW, even if you sell less than 10, you'll also get the usual 100% F/E commissions and 50% on all 3 upsells!)

OK, now with that out of the way, let's look at how you can start making 200% Paypal commissions...

## 1) Affiliate Titan v3.0 - Product Preview

The first reason to promote is the insane value - SIX softwares!

Here's how the system allows ANYONE to get FREE Traffic & affiliate commissions:

- STEP 1 - Browse FOUR separate softwares to find affiliate programs for Amazon, ClickBank, JVZoo & IM Launches
- STEP 2 - Create a pre-sell script (and webpage) for your chosen affiliate program with "1 Click Affiliate" software
- STEP 3 - Import this script into the "Rapid Video" software to create your video review <-- Free YouTube/Google traffic

It's the easiest way to get free traffic from YouTube & Google, and turn it into Amazon/ClickBank/JVZoo commissions.

It's a pretty insane offer, and your customers will LOVE it.

OK, so go ahead and watch this video - for a demonstration of the software tools:
